The Indespension Trailer Range

Purchasing an Indespension Trailer means that the customer will be rewarded with the complete ownership experience in both the short and long term.

Premium features and benefits for professional expectations.

Indispensable for the hard working **professional**

Since 1968, Indespension has designed, manufactured and sold a comprehensive, innovative and high quality range of trailers.

This is only the beginning.

Over the years our reputation has grown to the point where we now have a branch network of 19 stores, which provide sales, expert advice, trailer repairs, trailer hire, towbar fitting and a substantial range of parts.

To strengthen our relationship with you the customer, our first class network is always reliably backed by the dedicated Head Office Sales and Technical Departments.

This has established Indespension as a leading supplier to a number of markets including plant hire companies, utilities and local authorities, in addition to the general retail leisure market.

Indespension Trailers – the professional's choice.

Indisp built
